

# Make a Playlist!

Name \_\_\_\_\_

1. Make a playlist of 3 pieces for one of these purposes:

- Music that will help a toddler fall asleep.
- Music that your grandparent would enjoy when they come to visit.
- Music to go along with a slide show of your vacation photos.
- Music for an upcoming holiday celebration.
- Music to play during warm-ups at basketball practice.
- Music that commemorates important events in your life.

2. Generally, how will you use 3 or more of these elements to help communicate your intended mood?

Dynamics	_____ _____
Tempo	_____ _____
Articulation	_____ _____
Rhythm	_____ _____
Timbre	_____ _____

3. Are there any favorite songs that you might want to include in your playlist? Check that each song uses some of the elements you listed in the chart.
